RE: Nikolai Dozortsev

Dear Judge Block

I am writing to you regarding Nikolai Dozortsev.

I have been acquainted with the Dozortsev family for a number of years. I know them to be longstanding members of the Brighton Beach community, which I represent in the Senate. Nikolai's father, Eugene, is a local businessman with strong ties to the neighborhood and a history of service to his community.

As the Senator who represents the largest Russian-speaking constituency in the state, I can attest to the strong sense of fellowship and compassion among members of the Russian-speaking community. I know Eugene Dozortsev and his family have reached out and done much to assist fellow Russian-speaking immigrants in adjusting to life in the United States, which is an often difficult transition. The assistance of Eugene Dozortsev and his family has made a difference in many lives.

Kindly take this matter under consideration.

Sincerely,

A handwritten signature in black ink that reads "Carl Kruger". The signature is stylized with a large, looping "C" and a long, sweeping underline.
